President's Message

Following my election as President at our March meeting, I would like to express my hopes for an interesting and enjoyable year for all our members.

I am extremely gratified that all members of last years committee have committed for another year. Equally I am pleased to welcome our new committee members, Paul Rheinberger, Brendan Mannion, and Bob Maloney.

Regards John

Guest Speaker Section

Our member Paul Rheinberger presented 'Who Knows Where Hearts Point is?'. It's one of the more interesting parts of 'Neranie': A 19th Century industrial community on Myall Lake NSW.

Paul spoke about the area from Taree to Newcastle and commented on the railway down to the Hawkesbury before the bridge was constructed.

Guest Speaker Section Continued

Paul was commissioned to undertake an archeological survey of Hearts Point and encompassed the timber mill village. He provided an insight into the discoveries made, the water front, the barges that have survived in the lake and the buildings and equipment utilised in the logging industry.

A number of questions were asked and accolades made at the conclusion.

William The Fourth

Bob Cook came to our February meeting and spoke about the ‘reconstruction’ of William The Fourth. Earlier this month on a sunny Sunday we ventured out with the crew on William The Fourth with a number of other paying passengers. It can hold up to 54 paying passengers.

It was a very pleasant hour and a half around the harbour taking in the view and listening to the commentary from one of the volunteers who was also the engineer on board.

You could climb the bridge, venture down to the gents and ladies quarters and around the deck and absorb the atmosphere of what it would have been like in the era of the ship (albeit no smoke from the steamship smoke stack otherwise known as a funnel).

During the morning a generous morning tea was provided.

Book Corner

Ted is going to keep us in suspense as he will bring to our meeting an assortment of books with differing authors for you to choose.

Whatever you choose Ted wishes you happy reading.

English Lesson

We'll begin with *box*; the plural is *boxes*,
But the plural of *ox* is *oxen*, not *oxes*.

One fowl is a *goose*, and two are called *geese*,
Yet the plural of *moose* is never called *meese*.

You may find a lone *mouse* or a house full of *mice*;
But the plural of *house* is *houses*, not *hice*.
The plural of *man* is always *men*,
But the plural of *pan* is never *pen*.

If I speak of a *foot*, and you show me two *feet*,
And I give you a *book*, would a pair be a *beek*?
If one is a *tooth* and a whole set are *teeth*,
Why shouldn't two *booths* be called *beeth*?

If the singular's *this* and the plural is *these*,
Should be plural of *kiss* be ever called *keese*?

We speak of a *brother* and also of *brethren*,
But though we say *mother*, we never say *methren*.
Then the masculine pronouns are *he*, *his*, and *him*;
But imagine the feminine ...*she*, *shis*, and *shim*!
